*Re:* Mountaingate Country Club

Tim:

I wanted to take a minute and thank T. Viole Construction for the work performed at Mountaingate Country Club. It was a difficult job that presented many challenges for your team as well as ours. Throughout the job, your Project Managers and Superintendents showed a great deal of skill in creating solutions to move the project forward to completion.

If I can ever be of assistance to your Company, please do not hesitate to contact me.

Sincerely,

Todd P. Cain  
Director of Capital Improvements
