Mr. Tim Viole
T. Viole Construction Co., Inc.
18716 Oxnard Street
Tarzana, CA 91356

Dear Tim:

As you are aware, we recently held what I consider to be a wrap-up meeting related to construction of the Washington Street facility. There is only one remaining issue that was not committed to be resolved at that meeting, and that was the cracking in the shop floor. I am sure we can resolve that issue once more information is available to us.

I want to thank you, your staff and employees for their performance on this project. I look forward to working with T. Viole Construction Co., Inc. on further contracts and I will be pleased to be a reference for you.

Sincerely,

Stephen A. Keiper
Senior Vice President
